HOW TO READ THIS

6 the included rights: what the detailed version gives you

This itinerary, offered during the beta, sets the stages and the pace. The detailed version turns it into an itinerary ready to live.

- The activities of each day, with their duration and effort.
- The exact places, geolocated, with their map link.
- The stops worth the detour along the way.
- Photos of the stages and places.
- Adjustments on request: a stage, a night, the pace.
